Dear Mr. Taylor:

Re: Reclamation Surety, Leamington Quarry, M/023/004, Juab County, Utah

On January 27, 1992, the Division received a surety rider for reclamation surety from Ash Grove Cement Company (formerly Ashgrove Cement West, Inc.) for the Leamington Quarry in the sum of \$386,000. The rider provides for a change in the operator's name only and does not affect the surety amount. The Division accepted the change and signed the transfer notices on March 30, 1992.

Please find enclosed the original surety rider for the Leamington Quarry with the USFS listed as the "Obligee". Pursuant to our joint agency Memorandum of Understanding, please do not release or alter this surety without first notifying the Division and receiving written consent.

If you have any questions or concerns regarding this transaction, please contact me or Tony Gallegos of my staff.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor
